FOOD AND DIET

Economical use of meat in the home.....	391
Cheese and its uses in diet.....	487
Sugar and its value as food.....	535
Corn meal as food.....	565
Honey and its uses in the home.....	653
School lunches.....	712
Muscadine-grape sirup.....	758
Edible and poisonous mushrooms.....	796
Foods the body needs.....	808
How to select cereal foods.....	817
How to select protein foods.....	824
How to make cottage cheese.....	850
Preservation of muscadine grapes.....	859
Fresh fruits and vegetables.....	871
Homemade fruit butters.....	900
Neufchatel and cream cheese.....	960
Drying of fruits and vegetables.....	984
Muscadine-grape paste.....	1033
Unfermented grape juice.....	1075
Baking in the home.....	1136
Fermented pickles.....	1159
Rice as food.....	1195
Corn and its uses as food.....	1236
Good proportions in the diet.....	1313
Lamb and mutton in the diet.....	1324
Milk and its uses in the home.....	1359
Care of food in the home.....	1374
Food values and body needs.....	1383

HOUSEHOLD PESTS

Remedies against mosquitoes.....	444
The English sparrow as a pest.....	493
The house centipede.....	627
Cockroaches.....	658
Flytraps and their operation.....	734
House ants.....	740
The bedbug.....	754
The house fly.....	851
Rats and mice.....	896
Fleas and their control.....	897
Silverfish, or slicker.....	902
White ants as pests.....	1037
Argentine ant as a household pest.....	1101
Book lice.....	1104
Moles as pests and fur bearers.....	1247
How to get rid of rats.....	1302
Carpet beetles and their control.....	1346
Clothes moths and their control.....	1353

POULTRY

Duck raising.....	697
Mites and lice.....	801
Feeding hens for egg production.....	1067
The fowl tick.....	1070
Preserving eggs.....	1109
Tuberculosis of fowls.....	1200
Ornamental breeds of chickens.....	1221
Backyard poultry keeping.....	1331
Diseases of poultry.....	1337
Incubation of hens' eggs.....	1363
Brooding of chickens.....	1376
Marketing eggs.....	1378
The guinea fowl.....	1391
Turkey raising.....	1409

BEEES

Bees.....	447
Outdoor wintering of bees.....	695
Transferring bees to modern hives.....	961
Control of European foul brood.....	975
Preparing bees for outdoor wintering.....	1012

Wintering bees in cellars.....	1014
Commercial comb-honey production.....	1039
Control of American foul brood.....	1084
Swarm control.....	1198

GARDENING

Cultivation of mushrooms.....	204
The school garden.....	218
Ocumbers.....	254
Drug plants under cultivation.....	663
Ginseng disease.....	736
Asparagus.....	829
Asparagus beetles.....	837
Home storage of vegetables.....	879
Spotted garden slug.....	959
City home garden.....	1044
Ginseng culture.....	1184
Permanent fruit and vegetable gardens.....	1242
Celery growing.....	1269
Greenhouse construction and heating.....	1318
Striped cucumber beetle.....	1322
Ornamental greenhouse insects.....	1362
Diseases and insects of vegetables.....	1371

FRUIT RAISING

Pruning.....	181
Grape propagation.....	471
Raspberry culture.....	887
Growing fruits for home use.....	1001
Strawberry culture; Southeastern States.....	1026
Strawberry culture; Western States.....	1027
Strawberry culture; Eastern States.....	1028
Strawberry varieties in United States.....	1243
Grape insect and fungus enemy.....	1220
Bridge grafting.....	1369
Blackberry growing.....	1399

FLOWERS

The rose chafer.....	721
Roses for the home.....	750
Growing annual flowering plants.....	1171
Insect enemies of chrysanthemums.....	1306
Chrysanthemums for the home.....	1311
Dahlias for the home.....	1370
Herbaceous perennials.....	1381

MISCELLANEOUS

Rabies or hydrophobia.....	449
Raising guinea pigs.....	535
The kitchen as a workshop.....	607
How to build bird houses.....	609
Birds useful to the farmer.....	636
The bag worm, a shade-tree insect.....	701
The leopard moth, a shade-tree insect.....	708
Methods of protection against lightning.....	842
Removal of stains from clothing.....	861
Home conveniences.....	927
Disinfection of stables.....	954
Hints on running a gas engine.....	1013
Rabbit raising.....	1090
Home laundering.....	1099
Tree surgery.....	1178
Housecleaning made easier.....	1180
Operating home-heating plant.....	1194
Trees for town and city streets.....	1208
Planting and care of street trees.....	1209
Floors and floor coverings.....	1219
Chimneys and fireplaces.....	1230
Community bird refuges.....	1239
Farm lands available for settlement.....	1271
Rural planning; social aspects.....	1325
Canaries, their care and management.....	1327
Homing pigeons.....	1373

BULLETINS OF THE UNITED STATES DEPARTMENT OF AGRICULTURE OF INTEREST TO PERSONS WHO LIVE IN CITIES AND TOWNS—LIST NO. 3

WASHINGTON, D. C., June 1, 1925.

Pamphlets of the United States Department of Agriculture listed below are of interest to those who live in cities and towns, as well as to women who live on a farm. They are for free distribution as long as the supply lasts. Application should be made direct to the Senator or Representative who sends you this list or to Office of Publications, Department of Agriculture. **Be sure to sign your name and address plainly and to order by number.**

THE UNITED STATES DEPARTMENT OF AGRICULTURE BUREAU OF PLANT INDUSTRY WASHINGTON, D. C.

For the purpose of the present investigation, the following list of plants has been compiled from the records of the Bureau of Plant Industry, and is published for the information of the public. The list is arranged in alphabetical order, and is divided into two parts, the first containing the names of the plants, and the second containing the names of the persons who have been credited with the discovery of each plant.

PLANT		DISCOVERED BY	
FRUIT TREES			
Apple	Malus domestica	Chinese	1774
Banana	Musa sapientum	Indian	1492
Orange	Citrus aurantium	Portuguese	1498
Peach	Persica domestica	Chinese	1774
Pineapple	Ananas comosus	Caribbean	1492
Strawberry	Fragaria vesca	European	1492
FLOWERS			
Gladiolus	Gladiolus communis	Chinese	1774
Hyacinth	Hyacinthus orientalis	Chinese	1774
Jonquil	Hyacinthus non-scriptus	Chinese	1774
Lily	Lilium	Chinese	1774
Pansy	Viola tricolor	Chinese	1774
Rose	Rosa chinensis	Chinese	1774
Tulip	Tulipa	Chinese	1774
GRASSES			
Bamboo	Bambusa	Chinese	1774
Coconut	Coccothrinax	Caribbean	1492
Grass	Pennisetum	Chinese	1774
Rice	Oryza	Chinese	1774
Sorghum	Sorghum	Chinese	1774
Wheat	Triticum	Chinese	1774
LEGUMES			
Bean	Vicia	Chinese	1774
Pea	Pisum	Chinese	1774
Soybean	Glycine	Chinese	1774
Wheat	Triticum	Chinese	1774
CEREALS			
Bamboo	Bambusa	Chinese	1774
Coconut	Coccothrinax	Caribbean	1492
Grass	Pennisetum	Chinese	1774
Rice	Oryza	Chinese	1774
Sorghum	Sorghum	Chinese	1774
Wheat	Triticum	Chinese	1774
VEGETABLES			
Bean	Vicia	Chinese	1774
Pea	Pisum	Chinese	1774
Soybean	Glycine	Chinese	1774
Wheat	Triticum	Chinese	1774

Argentine ant as a household pest.....	1101 F
Book lice.....	1104 F
Moles as pests and fur bearers.....	1247 F
How to get rid of rats.....	1302 F
Carpet beetles and their control.....	1346 F
Clothes moths and their control.....	1353 F
Yellow fever mosquitoes.....	1354 F
The housefly.....	1408 F
Preventing damage by white ants.....	1472 F

POULTRY

Poultry management.....	287 F
Mites and lice.....	801 F
Capons and caponizing.....	849 F
Feeding hens for egg production.....	1067 F
The fowl tick.....	1070 F
Culling for eggs and market.....	1112 F
Tuberculosis of fowls.....	1200 F
Ornamental breeds of chickens.....	1221 F
Back yard poultry keeping.....	1331 F
Bantam breeds of chickens.....	1351 F
Diseases of poultry.....	1337 F
American breeds of chickens.....	1347 F
Incubation of hens' eggs.....	1363 F
Brooding chickens.....	1376 F
Marketing poultry.....	1377 F
Marketing eggs.....	1378 F
Poultry-house construction.....	1413 F
Poultry accounts.....	1427 F

BEES

Bees.....	447 F
Transferring bees to modern hives.....	961 F
Preparation of bees for outdoor wintering.....	1012 F
Wintering bees in cellars.....	1014 F
Commercial comb-honey production.....	1039 F
Control of American foul brood.....	1084 F
Swarm control.....	1198 F
Bee keeping in clover region.....	1215 F

GARDENING

Cucumbers.....	254 F
Drug plants under cultivation.....	663 F
Asparagus.....	829 F

GARDENING—Continued

Home storage of vegetables.....	879 F
Farm garden in the north.....	937 F
Spotted garden slug.....	959 F
City home garden.....	1044 F
Permanent fruit and vegetable garden.....	1242 F
Celery growing.....	1269 F
Greenhouse construction and heating.....	1318 F
Ornamental greenhouse insects.....	1362 F
Diseases and insects of vegetables.....	1371 F

FRUIT RAISING

Pruning.....	181 F
Grape propagation.....	471 F
Raspberry culture.....	887 F
Growing fruits for home use.....	1001 F
Strawberry culture; Southeastern States.....	1026 F
Strawberry culture; Western States.....	1027 F
Strawberry culture; Eastern States.....	1028 F
Strawberry varieties in United States.....	1043 F
Grape insect and fungus enemy.....	1220 F
Bridge grafting.....	1369 F
Blackberry growing.....	1399 F

FLOWERS

Roses for the home.....	750 F
Growing annual flowering plants.....	1171 F
Saw-flies injurious to rose foliage.....	1252 F
Insect enemies of chrysanthemums.....	1306 F
Chrysanthemums for the home.....	1311 F
Dahlias for the home.....	1370 F
Herbaceous perennials.....	1381 F
Garden irises.....	1406 F

RURAL SOCIAL LIFE

Organization of community buildings.....	1192 F
Uses of community buildings.....	1274 F
Social aspects of rural planning.....	1325 F
Social aspects of recreation places.....	1388 F
Rural planning: The village.....	1441 F

FARM BUILDINGS AND RELATED SUBJECTS

Disinfection of stables.....	954 F
Operating a home heating plant.....	1194 F
Floors and floor covering.....	1219 F
Sewage and sewerage of farm homes.....	1227 F
Chimneys and fireplaces.....	1230 F
Farm plumbing.....	1426 F
Painting on the farm.....	1452 F

MISCELLANEOUS

Rabies or hydrophobia.....	449 F
Food of well-known birds.....	506 F
Raising guinea pigs.....	525 F
Birds useful to the farmer.....	630 F
Squab raising.....	684 F
Home conveniences.....	927 F
Hints on running a gas engine.....	1013 F
Deciduous shade tree insects.....	1169 F
Community building plans.....	1173 F
Tree surgery.....	1178 F
Housecleaning made easier.....	1180 F
Trees for town and city streets.....	1208 F
Planting and care of street trees.....	1209 F
Community bird refuges.....	1239 F
Farm lands available for settlement.....	1271 F
Canaries, their care and management.....	1327 F
Homing pigeons.....	1373 F
Standard baskets for fruits and vegetables.....	1434 F
Diseases of stone fruits on the market.....	1435 F
Homes for birds.....	1456 F
Simple plumbing repairs in the home.....	1460 F
Rural hospitals.....	1485 F
Breeds of dogs.....	1491 F
Home laundering.....	1497 F

BULLETINS OF THE UNITED STATES DEPARTMENT OF AGRICULTURE OF INTEREST TO PERSONS WHO LIVE IN CITIES AND TOWNS—LIST NO. 3

(December 5, 1927)

FOOD AND DIET

Pop corn for the home.....	553 F
Honey and its uses in the home.....	653 F
School lunches.....	712 F
Food for young children.....	717 F
Edible and poisonous mushrooms.....	796 F
Homemade fruit butters.....	900 F
Neufchatel and cream cheese.....	960 F
Drying of fruits and vegetables.....	984 F
Unfermented grape juice.....	1075 F
Rice as food.....	1195 F
Corn and its uses as food.....	1236 F
Good proportions in the diet.....	1313 F
Lamb and mutton in the diet.....	1324 F
Milk and its uses in the home.....	1359 F
Care of food in the home.....	1374 F
Vinegar making in the home.....	1424 F
Fermented pickles.....	1538 F
Making and using cottage cheese.....	1451 F
Home utilization of muscadine grapes.....	1454 F
Canning fruits and vegetables.....	1471 F

HOUSEHOLD PESTS

Remedies against mosquitoes.....	444 F
The English sparrow as a pest.....	493 F
The house centipede.....	627 F
Cockroaches.....	658 F
Flytraps and their operation.....	734 F
House ants.....	740 F
The bedbug.....	754 F
Fleas and their control.....	897 F
Silverfish or slicker.....	902 F
Argentine ant as a household pest.....	1101 F
Book lice.....	1104 F
Moles as pests and fur bearers.....	1247 F
Carpet beetles and their control.....	1346 F
Clothes moths and their control.....	1353 F
Yellow-fever mosquitoes.....	1354 F
The housefly.....	1408 F
Preventing damage by white ants.....	1472 F
Rat control.....	1533 F

POULTRY

Mites and lice.....	801 F
Capons and caponizing.....	849 F
Culling for eggs and market.....	1112 F
Tuberculosis of fowls.....	1200 F
Diseases of poultry.....	1337 F
Marketing poultry.....	1377 F
Marketing eggs.....	1378 F
Poultry-house construction.....	1413 F
Poultry accounts.....	1427 F
Breeds of chickens, I.....	1506 F
Breeds of chickens, II.....	1507 F
Poultry keeping in back yards.....	1508 F
Poultry raising.....	1524 F
Feeding chickens.....	1541 F

BEES

Bees.....	447 F
Transferring bees to modern hives.....	961 F
Preparation of bees for outdoor wintering.....	1012 F
Wintering bees in cellars.....	1014 F
Commercial comb-honey production.....	1039 F
Control of American foul brood.....	1084 F
Swarm control.....	1198 F
Bee keeping in clover region.....	1215 F

GARDENING

Drug plants under cultivation.....	663 F
Asparagus.....	829 F
Home storage of vegetables.....	879 F
Farm garden in the north.....	937 F
Spotted garden slug.....	959 F
City home garden.....	1044 F
Permanent fruit and vegetable garden.....	1242 F
Celery growing.....	1269 F

GARDENING—Continued

Greenhouse construction and heating.....	1318 F
Ornamental greenhouse insects.....	1362 F
Diseases and insects of vegetables.....	1371 F

FRUIT RAISING

Pruning.....	181 F
Grape propagation.....	471 F
Raspberry culture.....	887 F
Growing fruits for home use.....	1001 F
Strawberry culture; Southeastern States.....	1026 F
Strawberry culture; Western States.....	1027 F
Strawberry culture; Eastern States.....	1028 F
Strawberry varieties in United States.....	1043 F
Grape insect and fungus enemy.....	1220 F
Blackberry growing.....	1399 F

FLOWERS

Roses for the home.....	750 F
Growing annual flowering plants.....	1171 F
Saw-flies injurious to rose foliage.....	1252 F
Insect enemies of chrysanthemums.....	1306 F
Chrysanthemums for the home.....	1311 F
Dahlias for the home.....	1370 F
Herbaceous perennials.....	1381 F
Garden irises.....	1406 F
Enemies of the flower garden.....	1495 F

RURAL SOCIAL LIFE

Organization of community buildings.....	1192 F
Uses of community buildings.....	1274 F
Social aspects of rural planning.....	1325 F
Social aspects of recreation places.....	1388 F
Rural planning: The village.....	1441 F

FARM BUILDINGS AND RELATED SUBJECTS

Disinfection of stables.....	954 F
Operating a home heating plant.....	1194 F
Floors and floor covering.....	1219 F
Sewage and sewerage of farm homes.....	1227 F
Chimneys and fireplaces.....	1230 F
Farm plumbing.....	1426 F
Painting on the farm.....	1452 F
Protection from lightning.....	1512 F

MISCELLANEOUS

Rabies or hydrophobia.....	449 F
Food of well-known birds.....	506 F
Raising guinea pigs.....	525 F
Birds useful to the farmer.....	630 F
Squab raising.....	684 F
Home conveniences.....	927 F
Hints on running a gas engine.....	1013 F
Deciduous shade tree insects.....	1169 F
Community building plans.....	1173 F
Tree surgery.....	1178 F
Housecleaning made easier.....	1180 F
Trees for town and city streets.....	1208 F
Planting and care of street trees.....	1209 F
Community bird refuges.....	1239 F
Farm lands available for settlement.....	1271 F
Canaries, their care and management.....	1327 F
Homing pigeons.....	1373 F
Standard baskets for fruits and vegetables.....	1434 F
Diseases of stone fruits on the market.....	1435 F
Homes for birds.....	1456 F
Simple plumbing repairs in the home.....	1460 F
Stain removal from fabrics.....	1474 F
Rural hospitals.....	1485 F
Breeds of dogs.....	1491 F
Home laundering.....	1497 F
Convenient kitchens.....	1513 F
Rabbit skins for fur.....	1519 F
Leather shoes.....	1523 F
Fitting dresses and blouses.....	1530 F
